Accommodation

For their accommodation, the students have three choices with related fees:

1. The Student Hall of Residence of the National Youth Foundation, a special-purpose building hosted in the University Campus. Current Daily Cost: 3,82 Euro.
2. The Hall of Residence for students of the University of Patras, residing about 4 Km away from the University Campus (with regular bus transportation to the University). It is owned by the University and operated by the Directorate of Student Affairs. Monthly cost:
 - Single room: 156 Euro
 - Double room: 207 Euro. The price includes electricity, water and heating expenses and internet. A deposit is also required equivalent to a monthly cost.
3. Rooms to rent

For the first two choices, the students should make special arrangements with the faculty who is their contact person in the University of Patras. Concerning the third choice, the incoming student should make his/her own arrangements.
