

GRADUATION CALENDAR 2026 - Bachelor's degree programmes in Engineering

MARCH/APRIL - JULY Graduation periods

The calendar only shows the day of the graduation ceremony; the dates of the oral presentations or of the oral defences, if required by the degrees' programme, will be decided by the Secretariat of the Collegio of each degree programme, after the deadline to register for the final examination.

The official convocation notice will be sent by email to graduating students by the Secretariat of the Collegio and will also be available on the student's personal page on the Teaching Portal, under the 'Communications' section (accessible via the bell icon).
