6. Declaration of value and VISA

Upon enrolment, participants who hold a degree from a non-Italian University must submit the original copy of the "Dichiarazione di Valore"/"Statement of validity" (related to the Master's degree) issued by the Italian Diplomatic Mission in the country where the qualification was awarded. The "Dichiarazione di Valore" will be kept by the Politecnico and will be returned to the student upon the conclusion of the programme. If necessary, it can be given back to the student for a short period of time, with the prior deposit of a certified copy of the document.

If the Master's degree was awarded by a European university, participants can turn in the "Diploma Supplement" instead of the "Dichiarazione di Valore".

Participants who are non-EU citizens and reside in Italy must submit a valid Italian residence permit.

Participants who are non-EU citizens and reside abroad must submit an Italian VISA for study purpose "type - D".

If the student runs into considerable difficulties regarding the "Dichiarazione di Valore", he/she must communicate such difficulties as soon as they arise to the Office of Specializing Masters Programmes and Lifelong Learning (master.universitari@polito.it), specifying the problem and the contact telephone numbers and e-mail of the Italian Diplomatic Mission. The office will contact the relevant Italian Diplomatic Mission in order to try and speed up the process to release the required document.

Those who arrive in Italy without the "Dichiarazione di Valore" and without having previously communicated the situation to the Office of Specializing Masters Programmes and Lifelong Learning will not be able to enrol at Politecnico di Torino.

Politecnico di Torino will verify the authenticity of the "Dichiarazione di Valore" presented by the student before enrolment.
