

# WINDSOR CALL

University of Windsor  
(CANADA)

- Double Degree agreement between Politecnico di Torino and the University of Windsor in partnership with Fiat Chrysler Automobiles group
- 6 students/ year

- Thesis at the University of Windsor / Chrysler labs under industrial and academic supervision
- Industrially useful thesis topics, shared with Fiat Chrysler Research Centers
- Beginning of the exchange: September, after a whole year spent at PoliTo
- Financial Aid: Euro 8294,93 (subject to taxation according to law)

- It is required a Canadian Visa
- to access Chrysler facilities in Detroit students have to cross the USA-Canada border: it is required a USA Visa  
→ not always easy or even possible to get, especially for non-EU citizens

**NB:** you can do much less if you cannot access Chrysler facilities in the US.

## •Requirements:

- Laurea (BSc) in Automotive Engineering or Mechanical Eng. awarded by Politecnico di Torino or Italian universities
- Enrollment in the 1st year of the Laurea Magistrale (MSc) in Automotive Eng. at Politecnico di Torino within April 10th 2018
- IELTS 6.5 achieved no more than 2 years before the beginning of the exchange (mandatory). The IELTS certificate has to be obtained within April 17 th 2018;

## •Merit list

- Score  $\geq$  **600** (see Call for selections)

## •Interview with PoliTo and Fiat representatives:

- A limited n° of top students on the basis of the merit list;
- Language requirement check;
- Explore the field of interest for the final thesis.

## •Students taking part to Alta Scuola Politecnica are not admitted
