

**Table of student places available for Bachelor's degree programmes of the engineering area
Academic Year 2018/19**

Class	Programme name	Language of instruction	Total programmed number		Of which places reserved to quota students	
L-9	Ingegneria aerospaziale / Aerospace engineering	Italian (1 st year taught in English available)	362		5	
L-9	Ingegneria biomedica / Biomedical engineering	Italian (1 st year taught in English available)	340		5	
L-9	Ingegneria chimica e alimentare / Chemical and food engineering	Italian (1 st year taught in English available)	155		4	
L-7	Ingegneria civile / Civil engineering	Italian (1 st year taught in English available)	145		20	
L-9	Ingegneria dei materiali / Material engineering	Italian (1 st year taught in English available)	110		5	
L-8	Ingegneria del cinema e dei mezzi di comunicazione / Cinema and media engineering	Italian (1 st year taught in English available)	125		10	
L-9	Ingegneria della produzione industriale / Technology and international business TORINO/ATHLONE	Italian/English	85	40	2	1
	Ingegneria della produzione industriale / Technology and international business TORINO/BARCELLONA	Italian/Spanish		30		1
	Ingegneria della produzione industriale / Technology and international business TORINO/NIZZA	Italian/French		15		0
L-9	Ingegneria dell'autoveicolo Automotive engineering	1 st and 2 nd year: Italian 3 rd year: English English	185		35	
L-23	Ingegneria edile / Architectural engineering	Italian (1 st year taught in English available)	120		20	
L-9	Ingegneria elettrica / Electrical engineering	Italian (1 st year taught in English available)	105		5	
L-8	Ingegneria elettronica / Electronic engineering	Italian (1 st year taught in English available)	220		20	
L-8	Electronic and communications engineering (Ingegneria elettronica e delle comunicazioni)	Italian (1 st year taught in English available)	92		45	
L-9	Ingegneria energetica / Energy engineering	Italian (1 st year taught in English available)	329		5	
L-8	Ingegneria fisica / Physical engineering	Italian (1 st year taught in English available)	150		2	
L-8/L-9	Ingegneria gestionale / Industrial engineering and management	Italian (1 st year taught in English available)	505		20	
L-8	Ingegneria informatica / Computer engineering	Italian/English	505		50	
L-9	Ingegneria meccanica / Mechanical	Italian/English	760		130	

	engineering			
L-7	Ingegneria per l'ambiente e il territorio / Environmental engineering	Italian (1 st year taught in English available)	105	5
L-35	Matematica per l'ingegneria / Mathematics for engineering	Italian (1 st year taught in English available)	102	2
Total number of student places available			4.500	390
