Rector's decree no. 663 dated 2nd July 2018

THE RECTOR

Having regard to the University Statute;

Having regard to the University Teaching Regulations;

Having regard to Rector's decree no. 121 dated 12th February 2018 concerning the "Call for admissions to the Bachelor's degree programmes of the Engineering area for a.y.2018/19" (hereinafter referred to as the "Engineering Call") and its annex;

Having regard to Rector's decree no. 122 dated 12th February 2018 concerning the "Call for admissions to the Bachelor's degree programmes in Design and Visual Communication for a.y.2018/19" (hereinafter referred to as the "Design Call") and its annex;

Having regard to Rector's decree no. 123 dated 12th February 2018 concerning the "Call for admissions to the Bachelor's degree programmes in Territorial, Urban, Environmental and Landscape Planning for a.y.2018/19" (hereinafter referred to as the "Planning Call") and its annex;

Having regard to the Ministerial circular of 19th February 2018 concerning the "Procedures for entry, stay and enrolment of international/foreign students in higher education courses in Italy – academic year 2018-2019";

Considering that the above-mentioned Ministerial circular establishes that students who have a Scottish high school diploma can be admitted to the first year of a university programme provided that they have at least three Advanced Highers, or, alternatively, 2 Advanced Highers plus at least 4 Highers;

Considering that on 21st November 2016 the "Commissione Istruttoria per il Coordinamento dell'attività didattica e formativa" approved the list of subjects which are considered related to Politecnico's degree programmes; the same body decided that the Advanced Higher Italian Language course cannot be counted as one of the related subjects needed to meet Politecnico admission requirements, but it is valid as a substitute for the Italian language certificate (B1 level) for students who need to prove their knowledge of the Italian language;

Considering that this addendum has been approved with Rector's decree no. 652 dated 29th June 2018 concerning the "Call for admissions to the Bachelor's degree programmes in Architettura-Architecture for a.y. 2018/19" and its annex;

Acknowledging that Annex B and C of the Engineering Call and Annex A and B of the Planning Call and Design Call must be updated accordingly;
