## GRE® GENERAL TEST at Politecnico di Torino

An additional opportunity for those wishing to continue their studies in the best universities of the world. The GRE® TEST is an internationally-recognized exam that evaluates candidates' logical-mathematical skills and provides common measure for comparing the qualifications of applicants, regardless of different educational and cultural backgrounds.

Students interested in taking the GRE® TEST can do it in Torino, at Politecnico, official Test Center.

The test is organized into three sections:

Verbal Reasoning  
Quantitative Reasoning  
Analytical Writing
