

Eligible to the interviews for the PhD program in

Aerospace Engineering 36th Cycle Summer session

The interviews will take place on June 30th 2020 starting at 8.30 am (local time) via remote connection through Virtual Classroom Big Blue Button. The Commission will contact the candidates by email to define the timetable of the interviews and provide the link for the connection.

All candidates compete for open scholarships.

Those interested in <u>scholarships with predefined research topic</u> shall explicitly choose them via the online procedure Apply from 25/06/2020 to 12.00 (i.e. mid-day, CET) of 29/06/2020. The choice made shall not be revoked.
