

ORDINARY PhD POSITIONS

<p>Fully-funded PhD positions (with scholarship)¹ with own research topic</p>	<p>All applicants compete for scholarships with own research topic, unless they explicitly renounce their right to receive them.</p> <p>Further information on scholarships with own research topic is available at: http://dottorato.polito.it/en/scholarships</p>
<p>Fully-funded PhD positions (with scholarship)¹ with predefined research topic</p>	<p>Applicants who receive an offer for this kind of PhD position are required to conduct their research on a specific research topic.</p> <p>These positions can be offered only to the applicants who explicitly apply for them, if the Admission Committee considers them eligible to carry out the specific research project (art. 8 of the call for admission).</p> <p>Applicants interested to compete for this type of positions are required to follow the procedure referred to in art. 3, paragraph 3 of the call for admission.</p> <p>Detailed information about fully-funded PhD positions with predefined research topics is available at http://dottorato.polito.it/en/scholarships</p>
<p>PhD positions offered in apprenticeship format (<i>dottorato in apprendistato di Alta formazione e Ricerca</i>)</p>	<p>Applicants who receive an offer for this kind of PhD position can undertake a PhD programme to get a PhD degree while being simultaneously employed by a company with an apprenticeship contract having the same duration of the PhD programme.</p> <p>Applicants must be aged under 30 years when the company hires them.</p> <p>Applicants interested to compete for this type of positions are required to follow the procedure referred to in art. 3, paragraph 3 of the call for admission.</p> <p>The apprenticeship contract (stipulated in accordance with Legislative decree no. 81/2015) is terminated upon completion of the PhD programme and/or the degree conferral.</p> <p>Detailed information on the available positions with predefined research topics is available at http://dottorato.polito.it/en/scholarships</p>
<p>PhD positions without scholarships</p>	<p>Applicants who wish to undertake a PhD programme without receiving any scholarship are required to follow the procedure referred to in art. 3, paragraph 4 of the call for admission.</p>

¹ For scholarships financed by an external institution, enrolment is subject to the subscription of the related convention between Politecnico di Torino and the financing institution.
