ART. 1 (Programme overview)

The 3rd edition of the 2nd level Specializing Master's programme in "Climate Change: adaptation and mitigation solutions" is offered by Politecnico di Torino for the academic year 2021/2022 within the innovative project "cambiamenti_climatici@polito".

The administrative seat of this specializing Master's programme is located at Politecnico di Torino – Office of Specializing Master's Programmes and Lifelong learning ("Ufficio Master e Formazione Permanente").

The programme is managed by the "Specializing Master's Programmes and Lifelong Learning School" ("Scuola di Master e Formazione Permanente").

The Programme Director is Marco Piras, Deputy Director of the Department of Environment, Land and Infrastructure Engineering of Politecnico di Torino.

ART. 2 (Training objective, didactic contents and organization of the activities)

The third edition of the 2nd level Specializing Master's programme in "Climate Change: adaptation and mitigation solutions" is designed for students and professionals who want to gain a comprehensive understanding of the climate change impact and the innovative technologies that will drive the mitigation and adaptation responses to global warming.

It is a 1-year programme scheduled from January to December 2022, full time from Monday to Friday. It combines 4 taught modules including frontal lectures, lab activities, and hands-on tutorials (from January to July), followed by a 500-hour internship in one of the partner companies (between September and November). The award ceremony will be held on December 2022.

The successful completion of the Master will provide students with 64 ECTSs.

Lectures will be held in English; training activities, except for the site visit and the internship, will take place at Campus Politecnico - Lingotto. The programme is residential.

In case COVID-19 emergency should continue and it would not be possible to hold classes on site, all classes will be guaranteed online, through a virtual classroom platform (on synchronous basis with possibility to register classes to make these available on asynchronous basis).

The teaching programme is structured as follows:

- 19 courses – compulsory (44 credits);
- Internships – compulsory (20 credits);

The full list of the Specializing Master's courses is available in Table n.1 – *Organization of the courses*.

ART. 3

(Safety measures for in-person teaching and curricular activities)

Politecnico di Torino enforces all the regulations and applies specific operational procedures in order to prevent infection with COVID-19, which aim to protect public health and maintain adequate safety conditions in order to facilitate teaching and curricular activities in person (please refer to <http://www.coronavirus.polito.it>).

According to the current regulations, all students are required to have and display the COVID-19 green certificate, the so-called "Green Pass" in order to take part to the teaching and curricular activities in person and to access the University premises. In order to promote the widest possible protection of the health of the students and the people working at Politecnico di Torino's premises, in case it would not be possible to hold classes on site, the Specializing Master's School will guarantee all classes online, through a virtual classroom platform (on synchronous basis with possibility to register classes to make these available on asynchronous basis).

ART. 4

(Admission requirements)

You must hold a full degree (Master of Science degree/Laurea specialistica/Laurea magistrale or equivalent) by the enrolment deadline in the following areas:

- Engineering
- Architecture
- Geography
- Science and technology

In alternative to one of the above-listed certificates you can provide, within the deadline for applications, a stamped declaration/certificate written on official letter headed paper, which certifies that:

- a) you have attended at least one school year at a high school in which the medium of instruction is English. In this case the school must issue a certificate stating that: "The medium of instruction is English";
- b) you have a foreign high school diploma which is recognized by the Italian Ministry of Education and Research as equivalent to the Italian high school diploma (diploma di maturità), or you have a higher qualification awarded by a higher education institution in which the medium of instruction is English. In both cases the school must issue a certificate stating that: "The medium of instruction is English".

With regard to points "a" and "b", please note that diplomas awarded by high schools or higher education institutions in the USA, UK, Canada, Ireland, Australia and New Zealand do not need to include the phrase "The medium of instruction is English".

The Selection Committee will assess the level of the knowledge of the English language during the oral interview (in accordance with art. 5 of this Call for application), remotely, if the applicant does not have one of the required English language certificates. Applicants who do not attend the interview are automatically excluded from the selection process.

Applicants are required to prove their identity before the interview starts by showing an identification document.

ART. 5 (Admission and selection process)

Admission and deadline

The 2nd level Specializing Master's programme is open to a maximum of 25 participants.

You can apply for admission for this Specializing Master's programme ONLY through the Application Form available at:

https://didattica.polito.it/master/climate_change/2022/how_to_apply.

**Politecnico
di Torino**

Scuola di Master
e Formazione
Permanente

DO NOT apply by e-mail, fax or mail because these applications will not be considered.

Applications are due by:

- **October 22nd 2021 at 1 p.m. - Italian time**

Step 1. Evaluation of applicants' qualifications

ALL the following supporting documents must be attached to your application on Politecnico di Torino website (in English or Italian only):

1. Valid identification document (passport for extra-EU applicants);
2. Curriculum vitae (CV must include the authorization to the processing of personal data – in compliance with the General Data Protection Regulation (EU Regulation 2016/679) and the Personal Data Protection Code, Legislative Decree 30 June 2003 no. 196 and subsequent amendments);

3. List of exams of both Bachelor's and Master's degree programmes:

- for applicants with degree(s) obtained from a non-Italian University or a private Italian University: official transcript(s), issued by the University of origin, produced on headed paper, containing the full list of all the exams passed and the grades obtained. The transcript(s) must also include the date of the degree conferral.

Upon enrolment, the admitted candidates must submit the original copy of the "Dichiarazione di Valore"/ "Statement of validity" (related to the Master's degree) issued by the Italian Diplomatic Mission in the country where the qualification was awarded. If the Master's degree was awarded by a European university, admitted candidates can turn in the "Diploma Supplement" instead of the "Dichiarazione di Valore".

or

- for applicants with degree(s) obtained from an Italian Public University: self-certification ("dichiarazione sostitutiva di certificazione" - Art. 46 DPR 28 December 2000, n. 445) in which applicants declare to have obtained both a Bachelor and a Master's degrees.

The self-declaration must include: the name of degree, the name of the University, the date of degree conferral and the graduation final grade, the full list of all the exams passed and the grades obtained (this information is required for both degrees).

In compliance with art. 75 of D.P.R. 445/2000, should the self-certification be found to be false or incorrect, the applicant loses any benefit which he/she might have acquired on the basis of the untruthful declaration.

4. Application form and questionnaire (available on the webpage of the Specializing Master's programme <https://didattica.polito.it/master/home/en/request>)
5. Motivation Letter: max 1 page (please, see the template available at the following link https://didattica.polito.it/master/climate_change/2022/documentation_required)

If you fail to attach even one of the above mandatory documents, you will be excluded from the selection process.

Optional documents can be attached to the application:

**Politecnico
di Torino**

Scuola di Master
e Formazione
Permanente

- thesis' abstract: this document is one of the elements attesting the coherence with the Master's topics;
- English language certificate; candidates who do not submit a certificate and are eligible for the second step of the selection process (see below) will be interviewed to ascertain their knowledge of the English language.

After the application deadline, the Selection Committee assesses all the applications and the attached documents.

The Selection Committee can assign a maximum of 60 points, according to the following criteria:

- degree grade specified in the academic transcription: for applicants who have not earned yet their Master's degree (but expect to earn it before the enrolment deadline), a score will be awarded based on the weighted average of the exams' grades received by the candidate at the date of application, as reported in the attached documentation via Apply@Polito (**up to 15 points**);
- significance and coherence with the Master's topics of the professional and formative experience (e.g., participation in PhD programme or second master's degree on relevant topics; Master's thesis on a relevant subject, as testified by the thesis' abstract attached to the application; participation in conferences, summer schools or workshops; professional or voluntary activity on relevant subjects) (**up to 20 points**);
- English language level – for applicants who attach a certificate according to ART. 4 (B2 level English certificate or certificate stating that the medium of instruction is English) (**up to 10 points**). If the level is B2 or if no certificate is uploaded no points will be assigned.
- Motivation letter (**up to 15 points**).

The final score will be based upon the above-mentioned criteria, up to a maximum of **60 points**; candidates who do not reach the minimum score of **30 points** will be considered as “ineligible” and they will not be admitted to the second step of the selection process.

The Selection Committee can admit candidates holding different degrees if they prove to have the scientific and cultural knowledge necessary to successfully attend the programme. In order to evaluate exceptional cases other than those indicated, detailed documentation is required: self-certification related to university studies with course title, scientific disciplinary fields, credits, course outlines.

Step 2. Remote interview

In this phase, the Selection Committee interviews the applicants who passed the first step of the selection process.

Interviews aim to assess:

- the applicants' motivation;
- any previous experience which may be relevant to the contents of the Specializing Master's programme.

Interviews will take place soon after the deadline for application submission.

**Politecnico
di Torino**

Scuola di Master
e Formazione
Permanente

Applicants who do not attend the interview are automatically excluded from the selection process.

During the oral interview, the Selection Committee also assesses the level of English competency of the applicants who did not provide any proof of knowledge of the English language according to ART. 4).

The Selection Committee can assign a maximum of **40 points** to each applicant for the oral interview.

The overall score is the sum of the score obtained in the first and second steps of the selection process.

The person responsible for the admissions administrative procedure is Mr. Alberto Pusceddu (Head of the Specializing Master's Programmes and Lifelong Learning Office at Politecnico di Torino).

ART. 6 (Selection outcomes)

At the end of the selection process, a merit-ranking list will be published on the online University Bulletin and on the Selection Outcomes page of the Specializing Master Programme's website.

The ranking list will contain:

- the list of applicants admitted to the Specializing Master's programme;
- applicants on the reserve list.

Provided that you have attached all the required documents and fulfilled all the requirements, you will see your position in the rankings and your final score on the Selection Outcomes page, when the official lists are published.

Please note that if you have not yet obtained the Master's degree you will be provisionally accepted. In case you will not obtain the degree within the enrolment deadline (approximately beginning of January 2022) you will not be admitted to the programme.

ART. 7 (Participation confirmation, enrolment, and documents submission)

Participation confirmation

In case you are on the list of applicants admitted to the Specializing Master's programme, in order to confirm your participation, you must comply within the deadline defined by Politecnico for participants to accept the offer and:

- download the Acceptance Declaration, fill it in and send it by e-mail to master.universitari@polito.it;
- pay a 1.000,00 Euro advance fee (see ART. 8). This payment is needed to confirm the acceptance of the offer for the Specializing Master's programme.

You will receive the advance fee payment request in the same day of the publication of the selection outcomes. You will be given a week to proceed with payment.

**Politecnico
di Torino**

Scuola di Master
e Formazione
Permanente

Failure to send the declaration and payment within the aforementioned terms is considered as final renunciation to the programme.

In case you are a full or partial participation fee-waiver recipient, in accordance with art. 10 of this Call for application, you will be exempted from the advance fee payment.

In case you are on the reserve list, it means that you are eligible for replacement and will have the possibility to enrol in the programme if one or more participants renounce their offer of admissions. In this case, the Office of Specializing Master's Programmes will contact you according to your order on the ranking list.

Admitted students are given a deadline to confirm their participation.

If you decide to decline your offer of admission, you are invited to inform the Office of Specializing Master's Programmes (master.universitari@polito.it) with an official notification.

Enrolment

If you are admitted, you must enrol at Politecnico before the programme starts. You will receive an e-mail with useful information for your enrolment. You are not allowed to be simultaneously enrolled in another Specializing Master's programme nor in any other university programme. If you are enrolled in another programme, you must finish your studies or suspend them before enrolling in the 2nd level Specializing Master's programme in "Climate change: adaptation and mitigation solutions".

Documents submission

After completing the enrolment process, admitted students must present the original documents uploaded to their Application Form to the Office of Specializing Master's Programmes together with the Acceptance Declaration before the programme starts.

If your degree was awarded by a non-Italian University, upon enrolment you must submit the original copy of the Dichiarazione di Valore/Statement of validity (related to your degree) issued by the Italian Diplomatic Mission in the country where the qualification was awarded or Attestato di Comparabilità /Statement of Comparability issued by the CIMEA Centre.

If your degree was awarded by a European university, you can submit your Diploma Supplement instead of the Dichiarazione di Valore/Statement of validity.

If you do not submit your Statement of validity, you can enrol in the programme with condition, but you must present this document within 6 months from the beginning of the programme. If you do not provide the above-mentioned mandatory document by the deadline, you are placed on hold and cannot progress in your studies until you actually present this document.

If you are a non-EU national, you are required to comply with the norms on entry visa and residence permit. ¹

You have to submit:

- Student Visa – type D for participants who are non-EU citizens residing abroad;

¹ Please refer to the the MIUR/MAE note: "Procedures for entry, stay and enrolment of students applying for visas in higher education programmes in Italy for the 2021/22 academic year"

**Politecnico
di Torino**

Scuola di Master
e Formazione
Permanente

- Valid residence permit for non-EU citizens residing in Italy.

Politecnico di Torino reserves itself the right to check the truthfulness of the declarations included in self-certificate sent by the applicants (pursuant to Article 46 of DPR. no. 445 of 28 December 2000) and Politecnico excludes them from the ranking list in the event of false declarations.

ART. 8

(Student assessment and final qualification)

The Specializing Master's programme requires you a full-time commitment. You are requested to attend activities for at least 85% of the programme.

Absences for more than this limit lead you to exclusion from the Specializing Master's programme.

Withdraw from the programme must be put in writing.

You cannot be simultaneously enrolled in a Specializing Master's programme and in another university programme.

STUDENT ASSESSMENT

At the end of each course, you have to take an exam consisting in a written test and/or an oral evaluation test.

If you fail the exam, you can arrange a make-up exam directly with the professor responsible for the course. You can take a make-up exam just once.

At the end of the programme, participants make a final presentation (dissertation of their project work conducted during internship) and are assessed for it.

The final grade is assigned by the Graduation Examining Committee who will assess the overall Average grade of all the exams on a scale of 110. The Graduation Examining Committee can add up to a maximum of 5 points, taking into consideration the evaluation of the work you have carried out for the project work (dedication, autonomy, methodological rigour, relevance of results, etc.).

If you reach the score of 110/110, the Graduation Examining Committee might decide to confer the degree with honours (cum laude).

The decision must be taken by qualified majority (at least 2/3 of the Committee members must vote in favour of awarding this distinction).

More details about the exams, final presentation and project work will be presented at the beginning of the programme.

FINAL QUALIFICATION

Upon completion of the programme, participants who regularly attended the activities and earned 64 ECTS (required for graduation), are awarded the "Climate Change: adaptation and mitigation solutions" 2nd level Specializing Master's diploma by Politecnico di Torino. The Diploma will be issued in Italian.

If, at the end of the Specializing Master's Programme, you have not passed all the exams included in your Study Plan you can get a Certificate of Attendance and a Transcript of Records with the list of the exams that you have passed with grades, dates, credits and scientific disciplinary field.

(Participation and enrolment fee)

Participation and enrolment fee

The participation fee is 4.000,00 Euro (four thousand/00) + 21,00 Euro (twentyone/00) for the enrolment fee.

The total amount must be paid to Politecnico di Torino according to the following instalments:

- 1.000,00 Euro (one thousand/00) advance fee by the date defined by Politecnico as the deadline for accepting the offer of admission to the Specializing Master's programme. You will receive the advance fee payment request in the same day of the publication of the selection outcomes. You will be given a week to proceed with payment. This payment is mandatory to confirm your participation in the Specializing Master's programme; failure to send payment within the aforementioned terms is considered as final renunciation to the programme;
- 2.000,00 Euro (two thousand/00) Euro + 21,00 Euro (twentyone/00) at the time of enrolment (approximately January 2022);
- 1.000,00 Euro (one thousand/00) Euro within six months from the enrolment.

The participation fee and the enrolment fee can be paid through the Apply@polito platform.

Your advance fee (1.000 Euro) can be reimbursed only in the following cases:

- if the Italian Embassy does not issue your Visa (for extra-EU citizens only);
- if the programme does not start, which happens only if the minimum number of participants is not reached.

Enrolling in the programme you accept any obligation and charge related to the payment of the entire participation and enrolment fee.

If you withdraw from the programme or are excluded from it, you will not be reimbursed your participation fee and enrolment fee under any circumstances.

Admitted students still have to pay € 21,00² detailed as follow:

1. Premium for accident insurance: € 5,00
2. Enrolment revenue stamp: € 16,00.

The issue of the Diploma of the 2nd level Specializing Master's programme in "Climate Change: adaptation and mitigation solutions" requires the payment of a revenue stamp.

N.B.: Politecnico di Torino offers to the programme's participants the opportunity to benefit of 10 full participation fee-waivers and of 10 partial participation fee-waivers. For detailed information about the exemption applied to participation fee-waiver recipients, please refer to art. 10 of this Call for application.

² The insurance premium may change due to new rules adopted by Edisu and to the stipulation of an insurance contract

Participation sponsored by Third Parties

If your participation in the programme is sponsored by Third Parties (payment of one or more instalments), it will be processed as follows:

- the sponsor must complete and submit the form available at https://didattica.polito.it/master/home/it/finanziamento_quote_per_il_dipendente
- after the end of the admission process, the sponsor will receive a message with:
 - the list of admitted sponsored candidates;
 - payment methods.
- The 2nd level Specializing Master's Programme in "Climate Change: adaptation and mitigation solutions" is included in the course catalogue of Politecnico. Therefore, participation and enrolment fees are VAT exempt (Article 4 of DPR 633/72). Upon payment, Politecnico di Torino will issue a payment receipt.

In case of participations sponsored by Third Parties, Politecnico di Torino may provide for exceptions from the provisions related to the number of instalments and to the deadlines scheduled for the payment of the participation and enrolment fee.

If you are enrolled in the 2nd level Specializing Master's Programme in "Climate Change: adaptation and mitigation solutions", including if you are sponsored by Third Parties, you are subject to the rules and provisions of the Tuition Fee Guide concerning failure to pay or late payment and hold on academic progress.

The programme will start only if the minimum number of participants is reached.

ART. 10 (Participation fee-waivers)

Politecnico di Torino offers to the programme's participants the opportunity to benefit of **10 full participation fee-waivers** and of **10 partial participation fee-waivers**.

In order to be eligible for the fee-waivers, applicants must be admitted to the 2nd level Specializing Master's programme in "Climate Change: adaptation and mitigation solutions" a.y. 2021/2022.

Applying for admission to the 2nd level Specializing Master's programme in "Climate Change: adaptation and mitigation solutions" a.y. 2021/2022 you will also apply for the participation fee-waivers.

The Selection Committee will award the participation fee-waivers to the 20 top students on the merit-ranking list published at the end of the selection process (in accordance with ART. 5 and ART. 6 of this Call for applications).

10 Full participation fee-waivers: the 10 top students on the merit-ranking list will be awarded a full participation fee-waiver. They will have to pay only 21,00 Euro (twentyone/00) for the enrolment fee (in accordance with ART. 9 of this Call for applications) and will be exempted from paying the instalments of the participation fee.

10 Partial participation fee-waivers: the students in the position from 11th to 20th on the merit-ranking list will be awarded a partial participation fee-waiver. They will have to pay only 2.000,00 Euro (two thousand/00) Euro + 21,00 Euro (twentyone/00) at the time of enrolment (in accordance with ART. 9 of this Call for applications) and will be exempted from paying the advance fee and the second instalment of the participation fee.

Permanente

Participation fee-waiver recipients are required to attend at least 85% of the programme (including lectures and training activities) in order to meet the criteria for maintaining the exemption. Absences for more than this limit lead you to exclusion from the Specializing Master's programme.

At the end of the selection process, the list of the participation fee-waiver recipients will be published on the Politecnico website on the "Selection outcomes" page.

Participation fee-waiver recipients will have to confirm their acceptance through a declaration form. This form will be published on the website. It must be filled in and sent by email (master.universitari@polito.it) within the deadline that will be communicated (generally within 7-10 days).

In case one or more candidates will not confirm the acceptance within the given deadline, the participation fee-waiver will be re-assigned to students on the reserve list according to their position in the list. The candidates placed on the reserve list will be contacted only if a fee-waiver winner will not confirm. In this case, a new deadline will be assigned.

ART. 11 (Single course enrolment)

You can enrol in some of the single courses of this Specializing Master's programme, without enrolling in the entire programme, provided that you meet the requirements prescribed for the programme (ART. 4 – Admission Requirements).

The list of the Specializing Master's courses available for single course enrolment is available in Table n.3 – *Single courses*.

Each single course is open to a maximum of **5** participants.

Deadlines and instructions to apply will be available starting approximately from the end of October on the Specializing Master's programme's webpage where you can find the courses' schedule: https://didattica.polito.it/master/climate_change/2022/single_course.

You can apply for admission for a single course ONLY through the Application Form available at: https://didattica.polito.it/master/climate_change/2022/how_to_apply.

You will be admitted to enrol in single courses on a first come first served basis, up to the maximum number of participants.

In order to be admitted to the final exam(s) you are required to attend activities for at least 85% of the course(s) you are enrolled in. If you fail the exam, you can arrange a make-up exam directly with the professor responsible for the course. You can take a make-up exam just once.

Participation fee for single course enrolment are composed of a fixed fee (21,00 Euro)³ plus the cost of the course that you want to purchase. The fixed fee is valid for one academic year. This means that if you enrol in more than one single course you will have to pay the fixed fee just once.

³ 16,00 Euro enrolment revenue stamp + 5 Euro premium for accident insurance. The insurance premium may change due to the stipulation of a new insurance contract.

We remind you that:

- Single course enrolment is incompatible with your enrolment at any other Italian university: you are not allowed to be enrolled in another degree programme at another Italian university;
- Single course enrolment is valid for the academic year 2021/22 (one edition of the Specializing Master's programme): this means that the course's exam must be taken and passed by the end of the last exams session of the Master's programme. If you do not take/pass the exam within the due date, you will automatically purchase the enrolment to the course for the (potential) next edition, in order to take and register the exam.
- Single courses' students do not contribute to the minimum number of participants required to the activation of the Master's programme, and they can be admitted in excess. If the Master's programme will not start, neither will the single courses.
- The enrolment to a single course can be denied even if the maximum number of participants of that course has already been reached.
- To receive the certificate of attendance it is required an attendance for at least 85% of the purchased course.
- To receive the certificate stating the advancements, credits and the scientific field you must have passed the course's exam.
- Single course's students can award the maximum number of 40 credits per academic year.

Single courses' enrolees are subjected to the regulation of the "Regole Operative per la gestione dei Master universitari e corsi di Formazione Permanente" (approved by the School Board on the 25th March 2020) available at the page <https://didattica.polito.it/master/home/it/legislazione>
