Subject: Activation of scholarship(s) for the Doctoral Research Programme (Dottorato di Ricerca) in – **(XXXVI Cycle)**.

We herewith inform you of our interest in funding scholarship(s) for the XXXVI Cycle of the Doctoral Research Programme in, having a three-year duration and starting from the 2020/2021 academic year. To this end, we undertake to disburse to Politecnico the sum of **73.243,00 Euro** (seventythree thousand and two hundred fortythree,00 euro).

Upon notification sent by Politecnico, the following costs also will be borne by us:

- supplementary expenses for approved training periods abroad, pursuant to art. 25 of the Doctoral Research Programme Regulations of Politecnico, up to a maximum amount of **14.000,00 Euro**;
- any adjustments to the scholarship amount deriving from increases approved by the Ministry of the University and Research, and/or any additional charges.

Further to your acceptance, which will give rise to formal negotiations, a contract shall be stipulated and drawn up according to the form available on the Doctoral School website http://dottorato.polito.it/en/scholarship_funding, where you agree to all conditions provided for by this agreement.

Awaiting your response with the instructions for further action, please accept the expression of our best regards.
