

URD_3

Title of the doctoral program

Urban and regional development

Title of the research activity

Urban Planning and Urban Project

Short description of the research activity

A relevant attention is paid to the planning of city innovation processes, including new developments, rehabilitation programmes of built areas, heritage preservation and peri-urban agriculture development. The research is developed in relation to cities and territories located in both Western countries and emergent countries.

Scientific responsible (name, surname, role, email)

Giuseppe Cinà, Associate Professor, giuseppe.cina@polito.it

Number of vacancies for XXXI cycle (3 years program)

2
